

Orthodox Bible Bowl Overview

The Orthodox bible bowl is a quizzing game that is based on questions from the bible and the orthodox religion. Each church will form a team of 7 representatives. The team to answer the most questions correctly wins. Most of the questions are asked directly from the Challenging Questions on Orthodoxy for Students- Volume 1 book. These questions will not be altered in any way during the competition, but the answer choices may be rearranged. Therefore, it is recommended that you order at least one copy of this book. In addition, all participants should read the books of Isaiah, John 1, and James in the bible. Some questions will be asked from these books. More information on the set-up and rules will be posted on the St. George web page

Challenge Questions on Orthodoxy for
Students- Volume 1
